

PROFI 45.40 MF E vacuum cleaner

Weight: 14,8kg

Tank capacity: 40l

Work range: 11m

Suction hose length: 2,8m

Power cord length: 7m

Moc silnik: 1450W

PROFI 45.40 MF E is a Polish, professional, vacuum cleaner equipped with a special multfilter and a power tool socket. Three-stage by-pass turbine from Italian giants Ametek ensures that the machine achieves great performance levels (40kPa vacuum rating) with relatively low energy consumption. The self-cleaning feature of a multfilter enables continuous work without losing suction power.
