- Rubber-tired wheels:** No
- Shockproof tank:** Polypropylene
- Vacuum level control in hose handle:** Yes
- Dimensions [l x w x h]:** 40 x 31 x 27 cm
- ANTI COVID system:** Optional

Profi 11 series vacuum cleaners are compact, strong and made of durable materials that ensure a very long life. They are light and mobile, yet powerfully efficient.

Profi 11.6 can be equipped with the air-purifying system. Taking advantage of technology used in medical air purifiers, we created vacuum cleaners which sterilize the air while cleaning! These specialized devices are laboratory-confirmed to reduce the content of bacteria, mold spores and viruses (including covid-19) in the air. Paired with HEPA 13 filter, these vacuums become the pioneers of modern cleaning!
